The artwork of Ukrainian children is now on view in Sarasota.

The U.S. Department of Education has announced it will provide relief for millions of people who took out federal student loans.

The state Office of Public Counsel is urging the Florida Supreme Court to overturn a decision by Ricky Dixon and former secretary Julie Jones from testifying in a legal battle about the use of solitary confinement in the prison system.

More than five million people have fled Ukraine since the start of the Russian invasion -- the majority of which are women and children.

Federal wildlife officials will decide in the coming months whether increased protections are needed for gopher tortoises.

Governor Ron DeSantis said Monday he will approve more than 30 million dollars in the coming year's budget to help manatees, after a record number of deaths in 2021.

Governor Ron DeSantis said Monday he will approve more than 30 million dollars in the coming year's budget to help manatees, after a record number of deaths in 2021.

More than two hundred million gallons of toxic wastewater that flowed into Tampa Bay last year from the Piney Point phosphate plant helped make the subsequent red tide outbreak much worse.

A new report shows the health of Sarasota Bay is improving.

Florida has 55 abortion clinics, more than seven other Southeastern states combined. Only California and New York are believed to have more.

A leaked draft opinion indicates the Supreme Court will overturn Roe versus Wade, which guarantees all women in America the right to abortions.

On this week’s StoryCorps Tampa Bay, we hear from a pair of University of South Florida doctors who worked at two games apiece.

Governor Ron DeSantis has signed into law a two-year sales tax break on storm-resistant doors and windows as part of a massive tax relief package.

Work produced by WUSF’s journalists in 2021 received 21 awards from the Florida Association of Broadcast Journalists on Saturday, including first place in 16 categories.

Florida has exceeded 74,000 resident deaths from COVID-19, while newly reported cases steadily climb.

Hurricane Preparedness Week wraps up tomorrow, with the final two themes of the week focused on “helping your neighbor” and “completing a written plan.”

An appeals court Wednesday cleared the way for a lawsuit filed by a man who was bitten by a Pinellas County Sheriff’s Office dog while attending an event at a Dunedin baseball stadium.

The Tampa Bay Lightning have evened their Stanley Cup playoff series with the Toronto Maple Leafs at two games apiece.

Florida’s new Parental Rights in Education law says it seeks to bolster the role of parents to make decisions about how their children are raised.

Florida has 55 abortion clinics, more than seven other Southeastern states combined. Only California and New York are believed to have more.

As private insurers continue to drop customers and pass along rate hikes, the state-backed Citizens Insurance Company is here to stay.

The Florida Department of Education has released nearly six thousand pages of records related to its decision to reject fifty-four [54] math textbooks submitted by publishers.

Several steps can be taken to help people afford a home or stay in their current home -- such as mandating that a percentage of new apartments be set aside for lower incomes, or promoting the building of low-cost housing in neighborhoods that might otherwise not welcome them.

The Tampa Bay Lightning have evened their Stanley Cup playoff series with the Toronto Maple Leafs at two games apiece.

There are many reasons why the supply of affordable homes is so low in the greater Tampa Bay area.

The state approved the project.

A second round of genetically modified mosquito releases is set to start in Marathon this week after a series of sales-tax “holidays” and a suspension of the state gas tax in October.

A leaked draft opinion indicates the Supreme Court will overturn Roe versus Wade, which guarantees all women in America the right to abortions.

Florida’s new law to support parental rights in education has drawn criticism, and the moniker “Don’t Say Gay,” because it bans classroom instruction on gender identity or sexuality in kindergarten through third grade.

Several steps can be taken to help people afford a home or stay in their current home -- such as mandating that a percentage of new apartments be set aside for lower incomes, or promoting the building of low-cost housing in neighborhoods that might otherwise not welcome them.

A leaked draft opinion indicates the Supreme Court will overturn Roe versus Wade, which guarantees all women in America the right to abortions.
After seeing declines in recent weeks, gas prices across Florida have inched up once again.

The National Senior Games start tomorrow [Tuesday] in Ft. Lauderdale after being postponed from last year because of COVID-19.

A second round of genetically modified mosquito releases is set to start in Marathon this week after the state approved the project.

The Florida Department of Education has released nearly six thousand pages of records related to its decision to reject fifty-four [54] math textbooks submitted by publishers.

The Florida Department of Education released more information last week as to why it rejected 54 of 132 math textbooks that school districts proposed using in the coming school year.

As private insurers continue to drop customers and pass along rate hikes, the state-backed Citizens Property Insurance has topped $51.000,000 policies, according to newly released numbers.

The official start of hurricane season isn’t for another three weeks, but the National Hurricane Center i...
