

Internship Application
318 Central Ave. Albany, NY 12206
(518) 465-5233 x183
www.wamc.org

Name: _____

Current Address: _____

Permanent Address: _____

Phone Number: _____

School Name: _____

School Address: _____

Major: _____ Minor: _____

Which field would your internship be in?

- Newsroom (please submit a writing sample)
- The Roundtable (please submit a writing sample)
- Digital Media (please submit portfolio images or link to a design portfolio)
- Marketing, Sales & PR
- Administrative, Fundraising & Development
- Programming

Session: Fall Spring Summer Winter Intersession

Start Date: _____ How many hours per week? _____

How many credits would you receive? _____

Please attach a résumé and cover letter stating your intent and what skills you possess for your prospective internship. As noted above, some internships require a writing sample with the application. With the exception of some Newsroom internships at bureaus, internships are at the main studios in Albany, NY.

Students should treat internships as a professional job opening. Proper attire and resume, or completed application, are required during an interview. We are always looking for full-time interns, but are more than willing to work around any student's limited schedule. We will also consider designing an independent study project targeted to a student's particular area of interest.

Interested students should contact Lucas Willard at lwillard@wamc.org for more information.
