

MEDIA STATEMENT OF WASATCH COUNTY SHERIFF JARED RIGBY

For Immediate Release: April 30, 2026

I am aware of the recent media reports regarding an investigation tied to events in Summit County. I acted lawfully and I am confident of the outcome.

I want to address the people of Wasatch County directly. I have dedicated my career to law enforcement in this community and I have always acted in accordance with my oath of office.

I also want the public to understand that in March 2026, the Third District Court sealed the documents in this matter as requested by the Summit County Attorney's Office. The court has ordered that all parties, including me, must not speak about the details.

What the public deserves to know is the timing. I won County Convention and am moving on to the primary election in June. This is not the first time politically motivated complaints have surfaced during election season, which is why I am calling for an immediate investigation by a law enforcement agency that is neutral, unbiased, and free of legal conflicts.

My focus remains where it has always been, serving the people of Wasatch County.
