It is hard to be nice!

Isabel Olivia Serrat
This is my cat Dura. She used to sit outside our door.
Then we brought her in the garage, but she meowed all the time and wanted to be part of the family.
we brought her inside, but she started being mean to our other cats, Elsa, Pinky-toe, and Munchie-poo.
It is hard to be nice when you go into a new place with worrying things that scare you.
Pinky-toe, Elsa, and Munchie-poo kept trying to be nice to Dura.
Then one day Dura started to play with toys. She started to get used to her new house.
Then Dura started to be nice and all the cats were happy!
Sometimes it is hard to be nice. That is why it is important to be a good friend like the other cats were to Oura when she came into her new house.

The End.
