

**January - March 2025 Quarterly Issues and Program Reports for WMKY,  
Morehead State Public Radio**

The top issues covered by WMKY News during the last three months include a total of 436 stories with sound. By category, those story totals include:

Agriculture – 13	Human Services – 31
Arts/Culture – 12	Legal/Courts – 27
Economic – 43	Minority/Women – 3
Education – 71	Police/Fire – 18
Environment – 25	Transportation – 9
Government – 86	War/Terror – 0
Health – 47	Weather/Climate – 29
Housing – 8	Sports – 14

The above totals include all aired content with associated sound produced in the WMKY Newsroom. Please see below for a breakdown of stories that were produced for distribution on [wmky.org](http://wmky.org). In the Winter 2025 Quarter, WMKY produced a high number of government stories, as we watched the 2025 legislative session and its local impacts. There were also a good number of education stories as federal policies made shifts in statewide education initiatives. Human services stories were also of note as state and local agencies made moves to serve their communities.

In the next quarter, WMKY will likely have more weather, human services, and arts/culture stories as we move into the warmer months.
