## ON THE COVER

### All Creatures Great and Small, Season 6

We return to Darrowby in May 1945 to find Skeldale House at sixes and sevens. As victory in Europe is declared, there is the promise of peace at last, but James is wishing for a greater sense of peace at the surgery as he juggles vet work with a busy family life and an exceptionally challenging Siegfried. Helen's enjoying time with young Jimmy and Rosie but has big changes afoot at Heston Grange to contend with. Tristan returns from several years at war and will have to re-adjust to life back home in Darrowby. Meanwhile, Mrs. Hall works hard to bring everybody back together and restore harmony at the surgery! We watch as our characters reconnect with each other and find their renewed purpose, as the world around them starts to breathe again and look to a brighter future.

## RECIPE OF THE MONTH

Recipe courtesy of **Lidia Celebrates America**. Tune in on **KRWG TV** to learn to create the finest desserts and goodies in your own home.

### ROASTED BEET AND PEACH SALAD

#### INGREDIENTS

- 10-12 small yellow and red beets with greens attached (about 3 pounds total)
- ½ teaspoon salt
- ⅓ cup extra-virgin oil
- ⅓ cup good quality balsamic vinegar
- Freshly ground black pepper to taste
- 3-4 peaches (peeled)
- 4 ounces or so slightly aged goat cheese

#### INSTRUCTIONS

1. **Preheat** the oven to 400 degrees F. Slice the greens off leaving a tiny bit of stem on top of the beets, then scrub the beets and poke each of them with a fork a few times.
2. **Put** them all in a shallow baking dish, uncovered, with an 1/8 inch of water covering the bottom. roast the beets– the water will actually steam them a bit first– until they are shriveled, dark, and caramelized outside, and tender all the way through (when poked with a knife)–45 minutes to 1½ hours, depending on size. Let them cool completely.
3. **Rinse** the beet greens well, trimming off the tough parts of the stems, and cut the softer stem pieces from the leaves. Bring a big pan of water

to the boil, then drop in the stems and cook for about 10 minutes; now add the greens. Cook for 20 minutes more, or until the stems are quite soft. Drain in a sieve; sprinkle ¼ teaspoon salt over the hot greens, and let them cool.

4. **Peel** the cooled beets, removing all the skin, the stem base, and the root tip, exposing the gleaming flesh. Cut in wedges, and place in a big mixing bowl. Cut the greens (both leaves and stems) into 2- inch lengths, and toss with the beet wedges.
5. **Whisk** together the oil and vinegar, with the remaining ¼ teaspoon salt and some grinds of pepper. drizzle the dressing over the beets, and toss to combine. Peel the peaches and slice. Arrange the dressed beets on a serving platter or portion them on salad plates; fold in the peach slices, then crumble goat cheese on top just before serving.
