CREATIVE LIVING

6-1-16

- Artist and crafter, **Dana Pomroy** has a unique line of animal caricatures made from papier mache. She will talk about the process of making and shaping the animals and then demonstrate how to paint the adorable creatures. Some are almost life size.
- **Marisa Pawelko** is a licensed designer for *Sizzix*, and she'll show how to create easy and fun custom cuff bracelets using the shape cutters from her collection. She'll also show a wide variety of materials including Rowlux and adhesive rhinestone sheets by The Buckle Boutique.
- **Robert Del Grande** represents the *California Fig Advisory Board*, and he will demonstrate how easy it is to create indulgent and flavorful desserts as well as create the perfect cheese platter to end any dinner party. Many of these recipes are ones he serves in his restaurant in Houston, Texas.

6-8-16

- **Laura Murray** is the owner of *Laura Murray Designs* and is also an author. She's going to demonstrate making tileworks quilt blocks which can expand the possibilities of other painted quilt block techniques.

- Designer, **Jana Beus** knows that PVC pipe is not just for plumbing! She's going to show how to construct a doll house using this lightweight but sturdy plastic. She'll also show a product called "Magic Foam" which can become instant upholstery! Beus' company is *Doll Stuff by Jana*.

6-15-16

- **Carol Fenster**, a nutritionist and author, says that black quinoa is becoming more widely available and adds color, variety and texture to our diet – in addition to being good for us. Her company is *Savory Palate*.
- There is a new program called 5210 Mayors' Challenge that promotes healthy eating and physical activity in schools and at home. Extension Home Economist, **Shannon Wooton** will explain what this is and why it's important. She's with the *NM Cooperative Extension Service*.
- **Connie Crawford**, President, CEO and Designer for *Fashion Patterns by Coni*, will demonstrate sewing techniques for making tailored and hidden plackets on blouses, shirts and dresses.

6-22-16

- Cookbook author, chef and teacher, **John Vollertsen** (known as Chef Johnny Vee) is going to demonstrate two recipes for desserts found in his cookbook "Cooking with Johnny Vee." He's the owner of *Las Cosas Cooking School*.
- **Dr. J Tim Rainey** will talk about some of the problems facing pediatric dental patients and how heavy sedation can be avoided. He also says that prevention is the most effective treatment for decay for all patients and he'll show some products that can be very useful. He's with the *Texas Institute for Advanced Dental Studies*.

6-29-16

- **Marci Baker** is a quilter and author, and she has a solution for quilters who don't like doing a binding – and it's all done by machine. She'll demonstrate this technique. Baker's company is *Alicia's Attic, Inc.*
- **Dr. Edward Kondrot** is the world's leading ophthalmologist and a board-certified homeopathic physician and he says that a nutritious diet can lead to better eyesight. He'll discuss the five essential foods to incorporate into your diet. He is an author and founder of *Healing the Eye & Wellness Center*.

7-6-16

- **Tina Aldatz** wears many hats, including author, speaker and CEO of *Savvy Travelers and Foot Petals*. She's going to share some take-aways from her book "From Stilletos To the Stock Exchange."
- Designer and crafter, **Ann Butler** will show how to use a silicone putty to create a variety of items to decorate with or to wear. Butler's company is *Ann Butler Designs*.
- Author, **Peter Goodman** has written a children's book and will discuss one of the issues he addresses. It has to do with engaging children in talking about social and emotional issues and how to help all children deal with bullying behaviors. His business is DreamBIG.

7-13-16

- **Kerri Forrest** represents *Bernina Sewing Machine*, and she's going to demonstrate how to use the dual feed and stitch regulator. The presser foot presses down on fabrics in order for the feed dogs to pull the fabric forward. The dual feed works to feed the top layer at the same rate as the feed dogs move the bottom layer.
- **Nancy Nix-Rice** is a wardrobe consultant and author, and she's going to show how to conquer chaos in the closet as well as share some organizing ideas for accessories and purses. Her book is titled "*Looking Good*."

7-20-16

- Quilter and author, **Karen Eckmeier** will show how free-form rotary cutting of fabric strips that are layered can "accidentally" create a beach scene on a quilt. Her company is *The Quilted Lizard*.

- **Carina Gardner** is the Creative Director and Designer for *Carina Gardner, Inc. and Carta Bella Paper Company*. She's going to show how to teach children to sew by using the Bella Stash Bag pattern she created. She'll also show how to make the bag without a pattern. She covers all the basics of sewing in this project.

7-27-16

- Party planner, **Patty Waid** knows that packing can be stressful. She's going to share packing tips for a worry-free trip, focusing on your suitcase, toiletries kit and a roller bag. Her business is *Waid and Associates*.
- **Curt Jaynes**, owner of *GardenSource Nursery and Landscaping*, is going to demonstrate how to use a smart pot to grow vegetables, flowers, herbs and fruit. This tough, weatherproof fabric raised bed needs no assembly.
- **Sandy Grossman-Morris** is going to show how to incorporate ribbon as embellishment when doing needlepoint project and designs. Her company is *Sandy Grossman-Morris Design*.

8-3-16

- **Diane Tunnell** is an Independent Demonstrator with *Stampin' Up!*, and she's going to demonstrate how to make a double slider card, focusing on cutting the pieces needed and then gluing it together.
- **Laura Murray** is a quilter, author and designer, and her business is *Laura Murray Designs*. She's going to demonstrate how to use Paintstiks to embellish a variety of ready-made garments.

8-10-16

- **Lisa Rojas** is going to demonstrate how to create use Colorbox ink pads to turn old linens into something new, as well as using ink to dye lace and other fabrics. Her company is *Stampin' Queen Creations*.
- Cookbook author, chef and teacher, **John Vollertsen** (known as Chef Johnny Vee) is going to demonstrate three recipes featured in a new cookbook: "Cooking from The New Mexico Farm Table Cookbook." He's the owner of *Las Cosas Cooking School*.
- **Clare Rowley** is the President of *Creative Feet LLC*, and she's going to demonstrate using leather and home décor fabrics to make a Mug Rug, which is a coffee cup coaster. She'll feature the Pearls 'n Piping Foot as well as the Satinedge pressure foot to do this technique.

8-17-16

- **Bruce Johnson** is the spokesperson for *Minwax* and he's going to show how to combine fresh ideas with old materials to add both charm and practicality to any room in your house or apartment.
- Designer and crafter, **Barbara Crawford** will demonstrate "Nuno" felting, which is a Japanese fiber art technique. She'll show how to create fabric from silk and wool roving by using soap, water, bubble wrap and some "muscle." Her company is *Crawford Designs and Sunset Galleries*.

8-24-16

- **Kerri Forrest** represents *Bernina Sewing Machine*, and she sells sewing machine in her own business. She's going to talk about what features a person needs to consider when investing in a machine and this covers more than just the cost.
- Artist and crafter, **Dana Pomroy** makes animal caricatures made from papier mache. She will continue her discussion showing how to paint the animals and bring them to life.
- **Connie Moyers** represents *Western Research Kitchens*, and she will demonstrate making numerous salads just by changing the ingredients. She'll also share a way to encourage children to eat their veggies by adding crunchy croutons to a salad or using them as a snack food.

8-31-16

- Business partners, **Margie Floris** and **Tina Aldatz** are going to talk about women and business and how important it is to pay it forward, persevere at all times and to network. Their company is *Savvy Travelers*.
- **Patty Dunn** is the owner of *All Dunn Designs* and she's going to show how to use fabric scraps and fussy cutting to create unusual personalized cards. She'll also show how she applies fabric to the card stock.
- **Curt Jaynes** will show some new products on the market for water-retaining plants, including a polymer that's also good for gardens, lawns, trees and shrubs. His business is *GardenSource Nursery and Landscaping*.

9-7-16

- Cookbook author, chef and teacher, **John Vollertsen** (known as Chef Johnny Vee) is going to demonstrate three of the "Mother sauces," and show multiple uses for each. These sauces are for meats, vegetables and desserts. He's the owner of *Las Cosas Cooking School*.
- **Chef John Csukor** is a culinary consultant to the *California Fig Advisory Board*, and he's teamed up with another chef, **Sophia Greenia** to demonstrate the use of figs in an array of delicious and crave-worthy beverages. Figs' versatility shines through with these delectable libations.

9-14-16

- **Roxane Cerda** will demonstrate how to create various sewing and craft projects using Kraft-Tex, a rugged paper that looks and feels and wears like leather but sews, cuts and washes like fabric. Cerda is Acquisitions Editor with *C & T Publishing*.
- Cookbook author and dietitian, **Carol Fenster** will show several ways to preserve tomatoes to prolong their taste and good nutrition. Tomatoes are an important part of a healthy diet, whether it's a Paleo diet, Mediterranean diet or many other diets. Her company is *Savory Palate, Inc.*
- **Diane Tunnell** is an Independent Demonstrator with *Stampin' Up!*, and she's going to demonstrate how to make a paper purse that can hold candy treats or other items. This is a very simple project but impresses with its ease in making.

9-21-16

- Business partners **Tina Aldatz** and **Margie Floris** are going to discuss the importance of travel and tourism and explain what they refer to as "bleasure." They will also share solutions or "must have" travel items for healthy travel. They are the owners of *Savvy Travelers*.
- Interior designer, **Kimball Starr** is going to explain how to inspire your home with pattern, color and texture. She suggests that each room should have an underlying theme or concept that ties the room together, and she'll show examples of how to do this. Her business is *Kimball Starr Interior Design*.

9-28-16

- **Laura Murray** is a quilter, teacher and author and she's going to demonstrate using Paintstiks in a one, two and three layer design, along with curved borders, to create one-of-a-kind Exotica quilt blocks. Her business is *Laura Murray Designs*.
- Author **Maria Benardis** will share ten ways to build a whole food/healthy kitchen on a budget. She suggests buying local and at farmers' markets, making nutritional substitutions and buying in bulk. Her book is titled "*Cooking and Eating: Wisdom for Better Health.*"
