MASTERPIECE MYSTERY!

The Escape Artist

The Houdini of trial lawyers meets his match in a gripping two-part legal thriller on **Master-**

David Tennant

piece Mystery! David Tennant stars as a brilliant defense lawyer with a storybook family and a potent nickname, "The Escape Artist," for his ability to spring the obviously guilty.

Liam Foyle (Toby Kebbell) is a reclusive bird charged with the killing of a female

medical student. Liam's case file is handed to Will who soon finds himself fighting fervently for a new cause that may end his career—or worse. "Everyone deserves a defense," he is fond of saying. Little does he know that these words will come back to haunt him.

"The Escape Artist" on **Masterpiece Mystery!** airs Sundays at 8:00 p.m. beginning June 15th on both 3-2 and HD3-1. The series repeats Friday nights at various times on 3-2 (See AtoZ on page 2). On HD3-1, it repeats Mondays at 7:00 a.m. and 1:00 p.m. beginning June 16th.

Endeavour, Season 2

In **Masterpiece Mystery!** "Endeavour, Season 2," a four-part series, Shaun Evans returns as the young En-

deavour Morse, before his signature red Jaguar but with his deductive powers already in gear.

Morse's first case, "Trove," involves a John Doe who plummets to his death

Shaun Evans

in what appears to be a routine suicide. When Morse discovers the man's mysterious final message, he begins to consider seemingly unrelated cases, causing others to worry that Morse's earlier wounds may have been more in mind than body.

"Endeavour, Season 2" on Masterpiece Mystery! airs Sundays at 8:00 p.m. beginning June 29th on both 3-2 and HD3-1. On HD3-1, it repeats Mondays at 7:00 a.m. and 1:00 p.m. beginning June 30th.

Ian McKellen and Dereck Jacob

VICIOUS

Two highly regarded British actors—Ian McKellen and Dereck Jacobi—bring a new dose of fun and humor in **Vicious**, a six-part series of half-hour episodes.

Following a rich tradition of British sitcoms known for their broad, boisterous humor, **Vicious** tells the story of partners Freddie (McKellen) and Stuart (Jacobi), who have lived together in a small central London flat for nearly 50 years.

Constantly picking each other apart and holding on to petty slights for decades, Freddie and Stuart are always at each other's throats, cracking snide remarks aimed at the other's age, appearance, and flaws. However, underneath their vicious, co-dependent fighting, they have a deep affection for one another.

Vicious will be broadcast Sundays at 9:30 p.m. beginning June 29th on both 3-2 and HD3-1.

The Vicar of Dibley

In **The Vicar of Dibley**, a young, enthusiastic vicar—who also happens to be a

woman —is appointed to the sleepy country parish of Dibley. The congregation, all six faithful souls, reacts to her arrival

with a mixture of wonder and horror. "You were expecting a bloke with a beard, a Bible and bad breath. Instead, you got a babe with a bob cut and a magnificent bosom," Geraldine (Dawn French, pictured) explains to her new flock.

Her appointment appalls David Horton (Gary Waldhorn), autocratic head of the parish council, who resolves to have her removed. Undaunted, Geraldine steps confidently into Dibley's quaint world, where her parishoners include some of the most addlepated eccentrics under the English sky.

The Vicar of Dibley can be seen Saturdays at 8:00 p.m. beginning June 14th. On HD3-1, it airs Sundays at 6:00 p.m. beginning June 15th.

Good Neighbors

There must be more to life than commuting into the office every day, thinks Tom Good (Richard Briers). Determined to do away with all the tedium of the rat race, he decides to become self-sufficient in **Good Neighbors**, an amusing British comedy.

Barbara (Felicity Kendal), Tom's wife, agrees to his outlandish plan and without a second thought, he quits his job.

The first step in their new lifestyle is to dig up the well-laid lawn of their suburban yard and turn it into a vegetable plot. Overcoming drought, flood, and pestilence, they

celebrate their first harvest and then decide to take their battle for self-sufficiently even further—

from spinning wool and rearing chickens to converting animal dung into electricity.

Good Neighbors will be broadcast Saturdays at 8:30 p.m. beginning June 14th. On HD3-1, it airs Sundays at 6:30 p.m. beginning June 15th.

Last Tango in Halifax Season 2

The acclaimed British drama Last Tango in Halifax, returning for a second season, tells the story of love struck septuagenarians Alan (Dereck Jacobi, pictured) and Celia (Anne Reid, pictured) who re-

discover their love for each other later in life—60 years, in fact, after they first met.

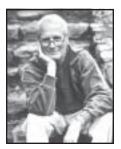

In the heart-warming six-part series, Alan and Celia continue to negotiate family baggage to plan a life together. Having come so close to losing each other, thanks to Alan's near fatal heart attack, he and Celia decide to have a wedding as soon as possible. But how will their respective daughters react?

As secrets from the past come tumbling out and family members adjust to changing relationships, can Alan and Celia find the long-awaited happiness they deserve?

Last Tango in Halifax will be broadcast Sundays at 7:00 p.m. beginning June 29th on both 3-2 and HD3-1. The series repeats at 11:00 p.m. the same night on HD3-1 only.

Give It All Away: Newman's Own Recipe for Success

The story of Paul Newman's legacy as a philanthropist is told in **Give It All Away:** Newman's Own Recipe for Success. The half-hour program chronicles the path of the Newman's Own Foundation food company

which has, to date, distributed more than \$370 million to various efforts around the world.

In 1980, Paul Newman and A.E. Hotchner filled empty wine bottles with his homemade salad dressing to give away as holiday gifts. After friends and

neighbors came clamoring for refills, Paul and "Hotch" were convinced that the special recipe was good enough to be bottled and sold.

Newman's Own Salad Dressing was launched in 1982. The first year of profits exceeded \$300,000 and Paul declared, "Let's give it all away to those who need it." It was a unique concept at the time, giving away all after-tax profits.

Give It All Away airs Saturday, June 7th at 10:30 p.m., Sunday, June 15th at 10:30 p.m., and Tuesday, June 17th at 7:30 p.m. On HD3-1, it airs Monday, June 16th at 8:30 a.m. and 2:30 p.m. and Saturday, June 28th at 9:30 p.m.

American MASTERS

Tanaquil Le Clercq: Afternoon of a Faun

Known to all as "Tanny," ballerina Tanaquil Le Clercq was the wife of George Balanchine, one of the greatest geniuses in the history of dance; she also sparked the creative imagination of Jerome Robbins. In 1954, at the height of her fame, she was struck down by polio.

"Tanaquil Le Clercq: Afternoon of a Faun" on American Masters finds a tone to

match Tanny's exquisite dancing and long, lovely physique. It is the compelling story of a dancer who can no longer dance and a muse who can no longer inspire, as well as a vivid portrayal

of a world and a time gone by.

"Tanaquil Le Clercq: Afternoon of a Faun" on **American Masters** airs Friday, June 20th at 9:00 p.m. On HD3-1, it airs Saturday, June 21st at 8:00 p.m.

Remains of a coastal town

Surviving the Tsunami

The earthquake that hit the northern coast of Japan on March 11th, 2011, was recorded at magnitude 9.0—the worst ever recorded in Japan. It generated an unprecedented tsunami, obliterating coastal villages and towns in a matter of minutes. In some areas, the tsunami climbed over 100 feet in height and traveled miles inland.

In Surviving the Tsunami, A Nova Special, amateur and professional photographers capture it all on video, including remarkable tales of human survival, as ordinary citizens became heroes in a drama they never could have imagined. Their stories are captured in video and retold after-the-fact by the survivors who reveal what they were thinking as they made their life-saving decisions.

Surviving the Tsunami, A Nova Special airs Wednesday, June 25th at 9:00 p.m., Saturday, June 28th at 10:00 p.m., and Sunday, June 29th at midnight. On HD3-1, it airs Wednesday, June 25th at 9:00 p.m., Thursday, June 26th at 11:00 a.m. and 4:30 p.m., and Sunday, June 29th at 4:00 p.m.

Brazil with Michael Palin

The Wauja tribe's men's house

Join Michael Palin for **Brazil**, a four-part series, in which he travels from the lost world of Amazonia to the buzzing metropolis of Rio de Janeiro, meeting the people and visiting the places that shape this South American nation.

Palin starts his journey in the city of Sao Luis and then travels down the coast to Recife and Salvador, dropping in on the vaqueros—Brazilian cowboys—who work on vast cattle ranches. Traveling on several rivers through the heart of Amazonia, he heads southward to the upper reaches of the Xingu River where he is welcomed to the Wauja tribe, one of the most colorful of all the Brazilian indigenous peoples.

In part three, Palin is off to Rio de Janeiro, host of the next Olympics and World Cup. On the final leg of his journey, he visits the town of Parati, where he meets with Prince João de Braganca, heir to the defunct throne of Brazil. Palin ends his journey at the magnificent Iguazu falls.

Brazil with Michael Palin airs Monday, June 9th at 8:00 p.m. and 9:00 p.m. (Pts. 1 and 2) and Tuesday, June 10th at 8:00 p.m. and 9:00 p.m. (Pts. 3 and 4) on both 3-2 and HD3-1. See the AtoZ on page 22 for additional HD3-1 broadcasts.

Driven to diStraction

"I only looked down for a second."

Driven to Distraction, produced in New Mexico, highlights the most recent brain research involving cell phone use, DWI, and other causes of crashes. The program reports on why distracted driving crashes are rising at an alarming rate, especially for young people.

The program is designed to help viewers understand the dangers associated with distracted driving and provide them with specific tools and suggestions to lessen the chance of a crash. With regard to teenagers, in particular, the program emphasizes good choices when driving and also the serious consequences of bad choices. Research shows:

- •Talking on the cell phone while driving (hand held or hands free) is the same impairment as having a .08 BAC (blood alcohol content).
- •Drivers using cell phones are 5 times more likely to crash than non-distracted drivers.
 - •78% of teens now have cell phones and 47% are smart phones.
- •One in four teens respond to a text message once or more every time they drive.
- •More than 3,800 drivers aged 15-20 are killed and over 325,000 are injured every year in crashes.
- •One teenage passenger with a teen driver doubles the risk of a fatal crash; the risk is five times higher when two or more teens ride along.

Driven to Distraction can be seen Monday, June 16th at 9:00 p.m. and Sunday, June 29th at 10:00 a.m. On HD3-1, it airs Monday, June 16th at 9:00 p.m. and Wednesday, June 25th at 11:00 a.m. and 4:30 p.m.

Are you?

Everyone wants to be happy, yet many of the common pursuits of happiness—money, fame, status—don't lead to the desired result. Recently, modern science has begun to examine how happiness works. Experts appearing in **Happy** provide fascinating insights into the research and how it applies to our daily lives.

Happy engages the viewer to examine preconceived notions about the causes and sources of happiness. It may surprise some that a rickshaw driver in the slums of Kolkata (formerly known as Calcutta) living in a hut made of plastic bags is found to be as happy as the average American. A woman who is disfigured and disabled from a car accident is happier than she was before the accident. Through these and other inspiring stories, Happy leads us toward a deeper understanding of how our happiness can be cultivated and shared regardless of circumstance and external conditions. While happiness can't be purchased or won, it is a skill that can be learned.

Happy will be broadcast Sunday, June 1st at 10:00 a.m. and Sunday, June 8th at 2:30 p.m. On HD3-1, **Happy** can be seen Tuesday, June 3rd at 7:00 p.m. and Sunday, June 8th at 8:30 p.m.

Healing ADD with Dr. Daniel Amen

ADD or ADHD is a national health crisis that continues to grow, yet it remains one of the most misunderstood and incorrectly treated illnesses today. Kids and adults are put on powerful stimulant medications in short office visits without any biological information, and the stories of these medications hurting children and adults are common and persistent.

In **Healing ADD**, psychiatrist Daniel Amen and his wife, nurse Tana Amen, take a completely new look at ADD and explain 7 unique

types based on the extensive brain imaging work of the Amen Clinics on tens of thousands of ADD patients.

Treating all people with ADD the same invites failure and frustration and can be a disaster, as the traditional treatments that make two of the types better, can make the other five types worse.

The program is divided into three parts. In part one, the myths and misconceptions about ADD are discussed as well as the hallmark ADD symptoms.

In part two, the 7 different types of ADD are described in detail. And, in part three, Dr. and Mrs. Amen provide a clear method for **Healing ADD**, including the best natural treatments. They are not opposed to medication, but think it's smart to start with lifestyle and natural treatments first.

Healing ADD with Dr. Daniel Amen will be broadcast Tuesday, June 3rd at 8:30 p.m. and Sunday, June 8th at 1:00 p.m. On HD3-1, the program airs Wednesday, June 4th at 8:30 p.m.

Lent at Ephesus

The Benedictines of Mary are not only a monastic order of nuns, they are also chart-topping sisters, crowned *as Billboard*'s Top Traditional Classical Album Artist for two years straight. Their newest album, *Lent at Ephesus*, released

in February 2014, includes poignant chants, intricate harmonies, and rousing hymns of glory and redemption, capturing the vibrancy and purity of the reflective season of Lent.

Lent at Ephesus is a new PBS special that takes viewers inside the monastery in rural Missouri to tell the fascinating story of how the sisters made their album. The program includes full-length performances that demonstrate the power and beauty of these Lenten songs.

The Benedictines of Mary use the work of their hands primarily for the making of priestly vestments. They also take care of gardens, an orchard, and a small farm. They paint gorgeous icons and live an artistic lifestyle based upon their religious vows. Leaving behind their families, bank accounts, and all of their possessions, the women live together in community closely following the Benedictine rule of life known as "ora et labora" (work and pray).

Lent at Ephesus can be seen Sunday, June 1st at 6:00 p.m. and Sunday, June 8th at 10:00 a.m. On HD3-1, the special airs Sunday, June 1st at 2:00 p.m. and Sunday, June 8th at 7:30 p.m.

Grateful Dead — Dead Ahead

Filmed in October 1980 in Radio City Music Hall, the luminous performances in **Grateful Dead** — **Dead Ahead** capture the band at a moment of transformation. These concerts were the culmination of a month-long musical odyssey in San Francisco and New York City during which the

band stretched the boundaries of more than 100 songs, from "Lost Sailor" to jug-band tunes, such as "Monkey and the Engineer" played in coffee-houses.

Performances include "Fire on the Mountain," "Ripple," "Bird Song," and "On the Road Again."

Grateful Dead – Dead Ahead will be broadcast Saturday, June 7th at 8:30 p.m.

Billy Joel: The Bridge to Russia Concert

In the late 1980s, as the Cold War between the Soviet Union and the West was thawing, a new era of transparency and openness was dawning, bringing with it political reform and cross-cultural exchange. Invited to perform in the Soviet Union, Billy Joel jumped at the chance to realize a long-time dream of performing for the Rus-

sian people. Joel, an American musical icon, brought the Soviets their first fully- staged, high-energy rock show in 1987, with a series of electrifying stadium concerts in Leningrad and Moscow.

Seen and heard now more than a quarter century later, Joel's Russian performances in **Billy Joel: The Bridge to Russia Concert** stand out as among the most powerful and moving of his career. The concert features classic songs and hits, including "Only the Good Die Young," "Big Shot," "Uptown Girl," "A Matter of Trust," "You May Be Right," "Innocent Man," "Honesty," "Allentown," and the Beatles' "Back in the U.S.S.R."

Billy Joel: The Bridge to Russia Concert will be broadcast Sunday, June 1st at 9:00 p.m. On HD3-1, it can be seen Tuesday, June 3rd at 8:30 p.m.

Reboot Your Brain: Healing the Brain Naturally

As of 2013, there are 93 million people over the age of forty-seven living in America. Many of those individuals are overweight or obese, eat a poor diet, and experience a high-stress lifestyle, leading to a range of physical and mental health issues. According to health experts, by 2050, two billion Americans will suffer from dementia, costing approximately one trillion dollars in medical expenses annually.

The culmination of decades of research in anti-aging sciences, **Reboot Your Brain: Healing the Brain Naturally**, based on Dr. Gary Null's book of the same title, suggests that Alzheimer's, Parkinson's, memory loss, depression, anxiety, dementia, and other mental conditions can be reversed without drugs.

Dr. Null describes homeopathic and herbal remedies, supplements, and recipes that are beneficial for specific conditions, giving advice that is groundbreaking and yet simple enough to be adapted by anyone.

The latest scientific research shows the brain can be repaired and rejuvenated and that conditions such as memory loss, depression, anxiety, Alzheimer's disease, dementia, and insomnia can all be prevented or improved. In **Healing the Brain Naturally**, America's leading brain physicians and scientists offer inspiring and hopeful insight into helping the 100 million Americans over the age of 40 who need this information.

Reboot Your Brain: Healing the Brain Naturally will be broadcast Sunday, June 1st at 2:00 p.m.

Secrets of Underground London

On the surface, London is a buzzing, modern metropolis—but underneath lies a secret, hidden world, all but forgotten by the millions of people above. Secrets of Under**ground London** uncovers 2,000 years of subterranean history: a world of ancient caves and perfectly preserved Roman remains; mysterious rivers and gruesome plague pits; impenetrable vaults and topsecret bunkers. Digging deep, the program unearths some of the most extraordinary stories of the darkest part of the city.

Secrets of Underground London can be seen Sunday, June 22nd at 7:00 p.m. and 10:00 p.m. On HD3-1, it airs Sunday, June 22nd at 7:00 p.m. and 11:00 p.m., and Monday, June 23rd at 11:00 a.m. and 4:30 p.m.

39th Annual Auction Raises \$50,000 for KENW-TV Programming

The KENW-TV Auction raised almost \$50,000 this year, all of which helps to insure that the wonderful variety of programming you enjoy on KENW-TV continues. We are very grateful for the generous support of all the donors, bidders, and buyers for participating in this year's Auction. We're particularly thrilled that so many of our viewers enjoyed and participated in the On-Air portion of our Auction, since it has been a few years since we last televised one from our studios.

All of this year's Auction donors, cash contributors, promotion donors, and sponsors are listed alphabetically by town. If you know them or do business with any of them, please tell them how much you appreciate their participation in the KENW Auction. Your thanks and appreciation will encourage them to participate again next year.

As we've done in the past, in Iieu of individual thank you letters, we have listed all of the participants in this issue of our Q2.3 program guide, and a complimentary issue is being mailed to each one. If you wish to continue receiving the magazine on a monthly basis (free of charge), please let us know.

If any donor wishes to know who bought their item(s), please call us on the toll-free line (1-888-367-5369), and we will gladly provide this information. Local donors can call us at 575-562-2112.

Thank you for allowing us to express our gratitude to you in this way. We definitely want you to know how much we appreciate your support. We look forward to hearing from you, and thanks again for helping us with this year's Auction.

Summer Pledge Drive June 21st – June 28th

First, I want to thank all of our members and contributors who gave their "Pledge of Love" during our February drive. You helped us reach our goal and continue to give you the programming you enjoy.

Now it is time once again to ask for your support. Our KENW Public Radio Network Summer Fund Drive begins on Saturday, June 21st. Our goal is to give you more programming with fewer on-air interruptions. We are asking you to make a pledge now in order to help shorten the length of the drive.

You can make a pledge by calling (575) 562-2112, toll free at 1-888-367-5369 or online at kenw.org.

We hope to exceed \$18,000 during this drive. We appreciate all of our members and hope that you will consider a gift of any amount in support of programs you enjoy! We look forward to hearing from you!

Anders Zorn in the Gilded Age

One of the most famous living artists at the turn of the 20th century, Swedish born Anders Zorn (1860–1920) dazzled the art world with his bravura paintings, watercolors, and etchings. His early travels took him to Spain and Algeria where the intense color and light inspired the virtuoso watercolorist to perfect his craft. Zorn loved the female form and was famous for his nude paintings as well as his vivid depictions of water.

Zorn made numerous trips to the United States and among his most significant American portraits were those of presidents Grover Cleveland and William Howard Taft. While in America, he rivaled John Singer Sargent as the most sought-after portraitist of glittering high society.
