FILING INSTRUCTIONS

Broadcast station licensees are required to afford equal employment opportunity to all qualified persons and to refrain from discriminating in employment and related benefits on the basis of race, color, national origin, religion, and sex. See 47 C.F.R. Section 73.2080. Pursuant to these requirements, a license renewal applicant whose station employment unit employs five or more full-time station employees must file a report of its activities to ensure equal employment opportunity. If a station employment unit employs fewer than five full-time employees, no equal employment opportunity program information need be filed. If a station employment unit is filing a combined report, a copy of the report must be filed with each station's renewal application.

A copy of this report must be kept in the station's public file. These actions are required to obtain license renewal. Failure to meet these requirements may result in sanctions or license renewal being delayed or denied. These requirements are contained in 47 C.F.R. Section 73.2080 and are authorized by the Communications Act of 1934, as amended.
