

Your gift can be made in many ways.

Cash, gifts of appreciated stock, vehicle donations, life insurance, and other gift methods can apply.

There may be tax benefits. Please consult your attorney or tax advisor.

Once equipment and technology needs are met, any remaining funds from this campaign will be used to build the Fund for the Future endowment. The Spokane Public Radio Fund for the Future at the Innovia Foundation will build over time to support staff and program development with audience development and access in mind.
