## **INDEPENDENT AUDITOR'S REPORT**

To the Director  
University Media Resources  
KUMD-FM  
Duluth, Minnesota

I have audited the accompanying financial statements of KUMD-FM (Unit of the University of Minnesota) (the Station) (a tax-exempt organization), which comprise the statement of net position as of June 30, 2017, and the related statements of revenues, expenses and changes in net position and cash flows for the year then ended, and the related notes to the financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor Responsibility**

My responsibility is to express an opinion on these financial statements based on my audit.. I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit includes performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall

presentation of the financial statements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

### **Opinion**

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of KUMD-FM June 30, 2017, and the changes in its net position and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

### **Other matters**

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 5 through 8 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. I have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to my inquiries, the basic financial statements, and other knowledge I obtained during my audits of the basic financial statements. I do not express an opinion or provide any assurance on the information because the limited procedures do not provide me with sufficient evidence to express an opinion or provide any assurance.

My audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise KUMD-FM's financial statements as a whole. The introductory section is presented for purposes of additional analysis and is not a required part of the financial statements. The introductory section has not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, I do not express an opinion or provide any assurance on them.

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**FINANCIAL REPORTING ENTITY**

KUMD-FM radio station (the Station), in addition to other units, is operated by University Relations & Development of the University of MN Duluth (UMD). KUMD- FM is located on the campus of UMD.

These financial statements present the financial position, results of operations and cash flows of KUMD-FM radio station only, and do not extend to the University of Minnesota as a whole or any other University organization or department. KUMD is an enterprise fund of the University of Minnesota. Economic support from the University of Minnesota to the Station is committed on a year-to-year basis. General appropriation support from the University has been approved through June 30, 2017.

**FINANCIAL STATEMENT PRESENTATION**

The financial statements have been prepared in accordance with accounting principles prescribed by the Governmental Accounting Standards Board.

**BASIS OF ACCOUNTING**

The University is considered to be a special purpose government engaged primarily in business type activities (BTA). As a BTA, the Station prepares its financial statements using the accrual basis of accounting and the economic resources measurement focus. Under the accrual basis of accounting, revenues and expenses are recognized when earned or incurred, respectively.

**KUMD-FM  
(UNIT OF THE UNIVERSITY OF MINNESOTA)  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2017**

**NOTE 1- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

**CASH AND CASH EQUIVALENTS**

Receipts and disbursements of the station are recorded through other departments of the University of Minnesota resulting in cash balances available to the Station. The University invests its cash balances in several investment pools. Each pool has a specific set of guidelines designed to meet its investment objectives within risk parameters established for that pool. The Station considers these investments to be cash for purposes of the Statement of Cash Flows.

**CAPITAL ASSETS**

Buildings, equipment, furniture and fixtures are recorded at cost, except those received as gifts or bequests, which are recorded at market value at the date of gift. Asset purchases are capitalized if \$5,000 or greater. Depreciation is determined using the straight-line method, based on the estimated useful life of the assets. The estimated useful lives of the assets are as follows:

<u>Asset category</u>	<u>Useful life (in years)</u>
Transmission, tower and antenna	10-15
Equipment	5

**ACCRUED LIABILITIES**

Accrued Liabilities is comprised of compensated absences and payroll accrual. Compensated absences for unused vacation time are accrued by multiplying an employee's hourly rate times the available vacation hours as of the financial statement date. Payroll accrual accounts for the remaining days in June 2017 that are not paid until July 2017, the next fiscal year.

**IN-KIND CONTRIBUTIONS**

Donated goods and services are recorded as non-operating revenues at estimated fair market value. Donated goods totaling \$92,855 (Non NFFS-\$46,522; NFFS-\$46,333) are included in non-operating revenues, and in programming and production expenditures in the statement of revenues, expenses and changes in net position.

Donated facilities from UMD consist of office and studio space, together with related occupancy costs and are recorded as nonoperating revenues and expenditures at estimated fair rental values. Administrative support from UMD consists of allocated financial and student development department costs and certain other expenses incurred by the University on behalf of the Station. Donated facilities and administrative support totaled \$113,973 during 2017.

**NOTE 1-SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

**NET POSITION**

The net position of the Station is reported in the following three components:

**Unrestricted** - Net positions that have no external restrictions imposed.

**Restricted - Expendable** -Net positions that are restricted for specific purposes by grantors, donors or law. Restrictions on these assets are released when KUMD complies with the stipulations required by the grantor, donor, or legislative act.

**Net investment in capital assets** - Net investment in capital assets represents capital assets net of accumulated depreciation.

**REVENUE CLASSIFICATION**

The University has classified revenue into Operating Revenue and Nonoperating Revenue based on the following criteria:

Operating Revenues - Revenues that result from exchange activities that contribute to the mission of KUMD. Exchange activities are transactions where the amount received approximates the fair value of the goods or services given up. The Station considers student service fees, underwriting, the Corporation for Public Broadcasting and other grants and other revenue to be exchange transactions.

Nonoperating Revenues - Revenues that represent nonexchange activities. The primary source of these revenues is appropriations from the University of Minnesota, and other contributions from the University of Minnesota.

**USE OF ESTIMATES**

To prepare the financial statements in conformity with accounting principles generally accepted in the United State of America, management must make estimates and assumptions. These estimates and assumptions may affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Pursuant to the University's Board of Regents governing authority, in compliance with Section 401(a) of the Internal Revenue Code, it authorizes the University to contribute to the plan and governs the requirements of this plan. The plan provides retirement, survivor, and disability benefits. Benefit provisions and contribution rates are established by state statute and can only be modified by state legislature in accordance with Minnesota Chapter 352. Benefits are based on member's age, years of allowable service, and the highest average salary for any sixty successive months of allowable service at termination of service. Required contribution rate for employees and the Station was 5.5 percent of covered salaries for year ending June 30, 2017.
