6:00 a.m. again, more headline news. much of the news is feature based reporting, which is nice, but		× .																										
for breaking local news, I tend to go else where. an afternoon time. like the corona updates. thank you		х									×																	
An email or other source for the public to give local suggestions, or concerns that might be able to get reported on.									×																			
BLIT the fact that it's merely repeated is not great. Lunderstand you may not be able to																												
support more and different coverage, but it would be great if we at least got one new pieces of news in those slots rather than three times the same thing. Otherwise, I really appreciate																												
it				X																								
Coverage of actual news Don't repeat the local news in the morning				х				х																				
Don't listen at Shat time Earlier. 7:45 am is too late																												
expanded length of time		- *						х																				
Focus on regenerative agriculture  Generally high quality news coverage for population size and density. Mixing in occasional																						Х						
deeper investigative reporting on selected complex and deeper issues, like land use																												
environment, and economy would be worthwhile as a stand-alone program or series segments on regular local news slots.	×					×																						
get some remotes from areas not often heard from							Х																					
Getting better every day! ( coverage, not the grim subject matter) Kudos to the director & staff, such hard work!	х																											
have unique reports at each of the three time slots				X																								
Hearing it twice with 75 min has me turn the station the second time round. I understand that you're likely doing it for people who are up at different times but I find them too close																												
together.  I can't always listen at these times.		x		X																								
i do not listen to your local news, not b/c it is bad, just b/c i am in Lake co.		^					х																					
I enjoy the long-format news pieces, but would love it if we had the resources to provide a regular daily news program with the day's local headline news from around the county.											×			7			7									l T	Т	1
Lesnerially appreciate the news about Covid and mental health issues	х																											
I find the local news unlistenable even though I've always wanted local news on our station.  Compare to Regelski — even though he is bumptious, he has news we actually can use — new		1					1	1		1	1								1			1		1	1			
		1					1	1		1	1								1			1		1	1			
KZ news, which often fastens upon just one thing, rather than giving a quick survey of what it happening locally. Esp. when we are dealing with an important and fast-moving topic, such a		1	1				1	1		1	1								1			1			1			
new facts somewhere in the hour. Local news should start out with a quick scan of the important news, then go on into detail. As it is now, I just turn it off as a waste of time.	w		×								×		-											-				
I have really appreciated the COVID interviews at 3 p.m. I only listen on certain days and odd hours, when I am in the spaOften there is no news	X	<b> </b>									<b>—</b>		<del>                                     </del>						<b> </b>			<b>-</b>	<u> </u>	<del>                                     </del>				
when I go there, like after 9:30am I rely very heavily on Sarah Reith's reports for local reporting on timely topics.	x	Х																										
I reply very neavity on saran kettin 3 reports for local reporting on timely topics.  I simply don't tune in except during crises.  I typically listen to on-air local news only during periods of pending or current emergencies	×															х												
I typically listen to on-air local news only during periods of pending or current emergencies (fires, earthquakes, PG&E PSPS events, etc.) During those times, KZYX is "invaluable"!																x												
I would like a cov19 info program everymorning - local and state wide														х		^												
I would like to see more funding to hire more investigative reporters to follow stories not necessarily completely local.					×																							
I would like to see our local news expanded to be a half hour show each time utilizing more																												
around the county citizen reporters with recording devices. Annie E. used to do the kind of news department that was exemplary. Follow her example.								x	×																			
I would rather it just be once, since I usually have the radio on all morning and don't like hearing the repeat				×																								
l'd like mid day, like 1 pm		х																										
I'd love two evening segments, personally but appreciate the two in the AM. I think local news is a really important place to put your resources! I enjoy the different voices doing the																												
news but ask that you think of local news with a diversity lens. Aren't there any latinx or Blac																												
people who could host segments or perhaps be mentored by your staff? I know that's challenging to execute but I'd love to hear more diverse perspectives.		x										×																
I'd rather just have one 6 PM newscast. I could go without the morning news.  In general, I would like an earlier time since I go to work early. So I usually try the 6pm time it		X	_																				-					
I catch it.		х																										
Investigative stories, stronger coverage on coast, south coast, north county, hire more local reporters, need way more local news!					x		x																					
It has gotten better and better over the years.	Х																											
It is repetitive and way too short. Alicia has been keeping us informed on the Virus situation as best as possible. She rocks!				x				x																				
It would be useful at a different time. We aren't listening to the radio early mornings and at 6 in the evening we are listing to PBS.		×																										
It's awfully limited but I do appreciate the in-depth stories. I could skip the weather as I get		_^_																										
that elsewhere. Its been really good as of late.	X X																											
KOZT and KMUD provide much better news										х																		
Kudos for the new team. They are going a great job Less human interest stories, more news about crime, accidents, fires, arrests, local politics	х	-	×				<b>-</b>	-		-		_	1	$\vdash$	×				-			-	_	<del>                                     </del>				
Less weed coverage, more environmental coverage.																	х				x							
			_		_			_	_	х	_	_		$\vdash$		<b>—</b>	<del>                                     </del>			<del>                                     </del>		_	_					-
Local news coverage is very good — But focus on emergency issues is paramount — 3:00 PM M/W Covid/Cofax update has been Outstanding — past coverage during wildfire / weather update has been outside to the page of the page		1	1				1	1		1	1								1			1			1			
events has been excellent and essential! events has been Maybe a t 5pm in stead of 6?		х

please experiment with different times, earlier or later PLEASE! PLEASE! PLEASE!!!!!! CHANGE THE LEAD IN MUSIC. THE TIMES ARE CHALLENGING.		Х		-	-																				_			
IT'S HARD NOT TO FEE QUITE LOW AT TIMES. THE MUSIC IS SO-O-O-O-O DIRGE-LIKE.  PLEASE, PLEASE CHANGE IT TO SOMETHING A BIT MORE NEUTRAL.													x															
Quality has been very good with an interesting variety of stories. However, local news headlines like KOZT does would be helpful - such as: what happened at last night's City																												
Council meeting.  Remember that its northeastern quadrant is part of Mendocino County The 9 am local spot		-			-																							+
is a good idea, but it is being wasted through poor execution. The Friday evening sport slot is																												
wasted for all but a small in-group that enjoys local high school team memories.		х					Х																					
Sarah Reith's investigative reporting is outstanding. KZYX news is best when it brings us local stories not available elsewhere. It's not helpful when it covers stories that are also available																												
faster from online sources like Mendocino Voice.	x																											
Sarah Rice is doing a great job!	Х																											
See above comments. 86 San Francisco, Sacramento, and Southern California Report in																												
mornings. That would double the available time for important LOCAL news. Bring back "stringer" system. Coordinate with low power stations to do micro local reports (have to do it																												
for KZYX. Can't just lift story and run it). Lots of suggestions made, been blown off in past.			x																									
See above: I'd like to hear more local news. What's going on in the county.			Х																									
Since KZYX is on most of the time, I find it tedious to listen to local news 3 x a day, especially																												
when it is a magazine piece and not "news". I LOVE the Corona programs  Sometimes feels repetitive when hear the same thing in morning and evening. Wonder about	Х	<del> </del>	-	×	<del> </del>								<b>-</b>			<del>                                     </del>	-								<del>                                     </del>			+
criteria for choosing stories seems eclectic and that there should be a lot more local news																												
topics to cover. Maybe in a less comprehensive way than is often done.			x	×																								
Sometimes it is super relevant and well investigated. Sometimes there isn't much to say. I'd	l		1	1									1	1		1												1
love to hear more stories gathered over time-long game stories  Sometimes it seems like the news department is grasping at straws to find stories. On the				<del>                                     </del>	- ×																							+
other hand, COVID coverage has been excellent. Perhaps local news could be aired only when																												
there's a story worth telling.	Х	Х																										
Sometimes they get distracted by obscure rants		ļ		-	<b>!</b>												-			-					-			
Sometimes; You may consider southern Humboldt Co.  Thank you for posting the local news segments online for reference after their airing.	x	-			-					X																		+
The coronavirus shows have been very valuable.	X																											<del>                                     </del>
The COVID coverage has been exceptional and necessary. Thank you!! Hope you keep it up!	Х																											
The Covid coverage has been outstanding, and a lifeline.	Х																											
The local news is useful but the times aren't great for me. I rarely get to listen.	Х	Х																										
The musical introduction is annoying  The reports are useful but often too short. More details would be welcome.		-	-	-	-	x							X									-			-			+
The time slots are not great, make it a podcast, please.		×				-^-																						+
There are a number of local stories that appear in the AVA which should be reported on the		1																										
news.			Х																									
these are not times that my radio is on		Х			-												-								-			+
This is the first time I have seen those specific times . Good to know  Those times are not good for me to listen		×																							<b>†</b>			+
Weather for Mendocino and Lake since this is an agricultural area.		-																X										
Well, it's really a rather petty commentary I have. The lead-in news jingle is so oddly has a																												
negative feel. I always sing "doom and gloom, doom and gloom" with it because it sounds like																												
that. As much as I respect Marty, she has such a funny, dark tone to her voice, kind of the 'eeyore' of kzyx!													x															
wish I didn't hear the same exact report often three times a day.				х																								
Would like an early morning broadcast at 6:30 or 7:00, as I am already at work by 7:45 and																												
miss the morning broadcasts. Six pm slot is a good time!  Would like the "repeat" at 8:45 to be moved to 11 am or Noon.	-	X	-	+	+		-	<b>—</b>		-	<b>—</b>		-	-	-	-	-		-	-		-	-		+	-		+
Yes but - it would be better to have a 20 minute or half hour news that covers our county -	l				t											<b>-</b>									<del>                                     </del>			_
like KMUD does - instead of one short daily feature that may or may not be timely			x																									
Yes but i often hear all three airings of same segment.		-		X												<b>—</b>												+
yesbut three times a day is too much for the same news Wish we had a stronger breaking/current local news component. Possibly thru social media. It	<del>                                     </del>	+	<del>                                     </del>	X	+			<b>—</b>		-	<b>—</b>		<del>                                     </del>	-		<del>                                     </del>	_		<del>                                     </del>	_	-	<del></del>	_		+	_		+
would be great to get some of the traffic away from mendocinosportsplus. That guy has got the important infor out fast but he's utterly disgraceful.			x																									
Art happenings and goings on. Interview students of K-12 and college aged, now during Covidity and return to the new normal, making a reason for young people to listen to our community radio station.																				×			×					
Keep up the impressive work!	Х																											
Not long enough or indepth						Х		х																				
I didn't know the times. When I have heard what I thought was local news, there was way	l												l															
too much weather info. Reports from local councils and advisory bodies	<del>                                     </del>	×			1				×				<del>                                     </del>			<del>                                     </del>		×										
As stated above - more variety? Ya'll are doing a great job, its alot of work.	Х								-,-			X																
Not too many years ago KZYX had excellent local coverage over a half hour or hour. Now, the																												
programming is often not informative on current affairs effecting the lives of Mendocino listeners generally or speficic local communities.	l		,										1			1												
would like different reports instead of the same report repeated throughout the day		<b>†</b>	X													l									<b>-</b>			<del>                                     </del>
Sort of. I try and tune in but it seams like there is stuff that is missing.																												
would like different reports instead of the same report repeated throughout the day			х																									
If possible please include something positive! Otherwise thanks for the great coverage.	Х		_																					Х	_			
But, when I am working, 7:45 is too late. 6:45 am or even 7:00 or 7:30 would be great		Х
