Radiolab Presents: More Perfect

Fridays at 7 p.m. beginning October 6th on WBAA News

Supreme Court decisions shape everything from marriage and money to public safety and sex. We know these are very important decisions we should all pay

attention to – but they often feel untouchable and even unknowable. Radiolab's spin-off series *More Perfect* connects you to the decisions made inside the court's hallowed halls, and explains what those rulings mean for "we the people" who exist far from the bench. *More Perfect* bypasses the wonkiness and tells stories behind some of the court's biggest rulings. With the Supreme Court reconvening this week, please join us for this five-week series of special programs on WBAA News on 105.9 FM and AM 920.
