ARTS SPOTLIGHT

The prominence of numerous artists and musicians in the Greater Lafayette and surrounding communities not only makes our community a wonderful place to live, but

a great place to move to and stay. Art is an integral part of our human culture and should be celebrated, which is why in 2014 WBAA launched the a monthly series called the WBAA Arts Spotlight.

WBAA Intern Profile: Cheryl Yuan

Hello, everyone! My name is Cheryl Yuan, I'm a senior from the Brian Lamb School of Communication majoring in Public Relations at Purdue University. I work as a Social and Digital Marketing Intern at WBAA radio station, and joined the staff last October.

For this internship, my main duties are building digital communication for the station which includes e-blast notices, the weekly e-newsletter, assisting with event/program planning, and programs like the essay contest, "This I Believe". This position provides me with the opportunity to work in the field that I'm truly passionate about and allows me to practice the skills that I've learned during lectures. I enjoy the professional environment where I'm treated as a professional, mentored by experts and I continue to expand my skills day by day. Looking forward, I'm planning to attend graduate school to further explore the field, then ultimately, I would like to work for a public relations agency. Also, with the Fall 2018 Membership Drive happening this week, if you would like to help an intern like me gain "hands-on experience" during their undergraduate experience, you can make your donation by going to WBAA.org or by calling 765-496-1999. Thank YOU!
