## 2015 SPIRIT OF CARING AWARDS

43 Years of Caring

### Nominate a Caring Individual or Organization!

#### SPIRIT OF CARING AWARDS

The annual SPIRIT OF CARING AWARDS recognize individuals and organizations for their impact as caring leaders and how they benefit the community through their length and breadth of service. Ideal candidates exhibit unique kindness and concern for others in our community. This year there are again four individual awards and one community organization.

#### SPIRIT-OF-THE-FUTURE AWARD

The future of our community lies within the enterprise and passion of our younger givers of time, talent and/ or treasure. Nominate a person (40 or under) who you feel exhibits unique kindness and concern for others in our community; a future-focused leader who demonstrates the Spirit of Caring today.

#### IT'S EASY TO NOMINATE!

Complete this form along with your nomination narrative for the four criteria below (**not to exceed 2 pages**). Define your nominee's exceptional SPIRIT OF CARING toward our community based on the following:

1. What is the extent of your nominee's involvement in a specific effort(s), project(s) or organization(s)?
2. What is the impact of your nominee's caring effort(s) within the community?
3. What is the commitment of your nominee in caring for others? Use examples.
4. Substantiate the impact, depth and longevity of the commitment.
