Students auditioning for this radio special perform classical, Broadway or jazz selections. Over thirty students applied and auditioned at the WQCS Studios in April of 2019. Musicians and employees of the Lyric Theater in Stuart judged the participants.

Pioneer Radio is a student-produced program that airs on WQCS in an effort to bring the voices of the campus to the community. This club is for students who want to get involved in creating media segments for the show. Interviews are recorded for production in the WQCS Studios and the 60 minute program is broadcast two to four times a year. Students in the Pioneer Radio Club use various technology at the radio station – in-studio and remote recording equipment, and computer editing software to generate their final product that provides a service to the community of listeners.

MENTORSHIP PROGRAMS:
