The Wizard, the Mouse, and the Dog

By: Owen Thornton
There once was a wizard named Wonderly with a mouse in his hat.
One day, a dog came along and said, "Have anything that I can have?"

The wizard, Wonderly, said, "Of course I do, for a fellow like you!"
He took the mouse out and asked, "Will this probably do?"
The dog said, "Why? What can he do?"
The mouse answered, "Well, what ya want Baby?...A cupcake?!"
